CORPORATE EVENTS AT MORLAND HALL

Whether for a conference, an away-day or weekend, a team building event or that all-important meeting, Morland Hall has something for every business.

You know that business in a competitive marketplace is demanding on resources and places great strain on the people involved. Finding time to work together and get the team fully committed is sometimes difficult and can affect the efficiency of the business process. Many successful organisations believe that going off-site can help focus attention and enable greater creativity and productivity. Morland Hall has much to offer businesses and gives advantages over hotels or operational areas within your own premises as it allows full concentration on the complex tasks, facilitating the spirit of cooperation and comradeship so necessary in delivering business success.

Morland Hall is an alternative environment for you to work, meet, discuss and focus. We are a Visit England 5-Star Gold standard self-catering estate in the Eden Valley, about 15 minutes from Penrith and 40 minutes from Carlisle. We are in a quiet rural location with space to work and think without being interrupted and disrupted by the day to day business activity that can often impede a successful operation. We have 21 bedrooms, many communal rooms and meeting areas that can be used for a variety of purposes. We have broadband, wifi and telephone facilities and these can be enhanced to meet specific requirements. You can take all or part of the premises and have exclusive use of the facilities. If required we can provide catering services, but you may prefer to make your own arrangements. There are 4 kitchens, 4 lounges and 4 dining rooms and plenty of space to meet, to prepare, to train and develop, and to work including impressive rooms for senior management presentations and client meetings.

Morland Hall is a cost-effective solution when compared to hotel prices and will improve the efficiency and effectiveness of your team and reduce your operational costs. You can still see some images and take a virtual tour by looking at our website on www.morland-hall.co.uk We hope to hear from you soon.
